Behind the automatic gated entrance, sits this three bedroom brick veneer home which is as solid as they come and is crying out for its new owner to come in and turn it into something spectacular. Oversized rooms and high ceilings show the character of the home while the large eat in kitchen and roomy living area speaks of functionality and family living. The original bathroom has a separate toilet and the laundry is enormous with plenty of space to turn it into a second bathroom if you wanted. Outside there is a double lock up garage and an abundance of space with existing veggie gardens and garden sheds and rear lane access to the expansive yard. Uranquinty is a thriving village with everything you need at your doorstep and only a 12 minute drive to the Wagga CBD.
