6 MORINDA STREET, WALLAN This four-bedroom home is well-finished and extremely well-presented and would suit a new home buyer, investor, or downsizer. With four bedrooms, the master bedrooms have an ensuite bathroom and a walk-in robe - the other three all have built-in robes that are serviced by a full family bathroom and a separate toilet. The main hub of the house consists of a large dining area, a light-filled family room, and a good-sized kitchen, with a new brand stainless-steel appliance, dishwasher, walk-in pantry, and a spacious fridge cavity. And there is plenty of room in the cupboards and drawers for all your kitchen necessities. The adjacent dining area is spacious and can easily accommodate a formal dining table and good size family area. For your vehicles, there is a two-car garage with internal access and plenty of secure off-street parking. The house also includes new tiled flooring, new carpets, freshly painted throughout the house, downlights, gas ducted heating and a split-system air-conditioner, laundry, and Low maintenance front and back yard. This is a great opportunity for buyers looking for a completed home and not wanting to go through the home-building process and you are also only metres from a walking-cycling path that leads to various parks and playgrounds in the area. Wallan is one of the most popular locations in the Northern Corridor with established services and infrastructure and great access to Melbourne via the Hume Freeway or the V/Line train.
