"Newton Gardens" These two sets of three flats are located in a fantastic location - only 600m from main street through the town "mall" back entrance. The Units have combined lounge and bedroom, as well as combined bathroom and laundry, with a separate kitchen/dining area. Each unit has its own front and back small deck area, as well as their own small garden. The property has a shared garden shed at the front of the property, allowing the tenants to store their larger personal belongings if needed. Beautiful communal garden. All six units are currently leased for \$100 per week. Situated on a huge 1480m<sup>2</sup> block. The properties development zone is a "village".
