Live twice the life with indoor-out entertaining and an outstanding lifestyle location! Situated at the gateway to Aspendale Gardens, this resort-style entertainer multiplies options with four bedroom, 3 bathroom accommodation across a fresco-focused main home (extending to a vast all-weather entertaining zone) and separate self-contained poolside studio (with kitchenette, third bathroom and its own climate-control). Styled for an entertaining lifestyle with a quiet formal lounge, a sunbathed kitchen-casual area and a dedicated family-room beyond a solid barn-door, this family entertainer offers twice the life outdoors with an immense mancave/al fresco zone (complete with bar and beer on-tap!) and an al fresco pavilion beside the sparkling solar-heated pool. Sparkling with all-new paintwork (inside and out), the home is newly styled with fresh new blinds, the latest pebbled carpets, and the lightest timber-look flooring. Featuring quality appliances for the big family kitchen, and a bright new update for the quality bathroom and elegant ensuite, this centrally heated and reverse-cycle air-conditioned home has all the extras – including an alarm, outdoor sound-wiring and double auto-garaging. There are even more ways to save with a 16-panel solar system! Just half a dozen doors to the shopping centre, this all-season entertainer has the primary school, community centre and sports ground within a minute's walk, the beachside shopping strips and stations in reach... and a year-round entertaining lifestyle right here!
