"North Ridge Estate" is a master planned eco-friendly estate just minutes to major shopping centres, transport and schools yet a million miles from the hustle bustle of city living. The setting is semi-rural, the protected gum trees surrounding the estate are home to peacocks, koalas, and kangaroos. The estate features family friendly large blocks and through access is restricted to outside traffic. With only around 100 homes in this exclusive area lifestyle is guaranteed here for years to come. The estate is mostly owner occupied and populated by other neat and tidy executive family homes on spacious blocks. The estate is private and enjoys the conveniences of the facilities that North Lakes offers, like the lakes, parks, shopping, and schools without the "boxed in" nature of other estates. Access to the highway is easy from here with travel to the city, airport, or Sunshine Coast only a short trip way. This is a fantastic home in a superb location.
