Imagine coming home to a house that feels like a warm hug, a place where you can relax and unwind after a long day. This beautiful 3 bedroom home is exactly that! Nestled on a quiet street, this home offers not just comfort, but convenience too. You can easily walk to the local shops, school and even the nearby beach! Who doesn't love being close to the beach, right? But what truly makes this house a home is the feeling you get as soon as you walk through the door. The welcoming atmosphere just envelopes you, like a warm embrace from a loved one. The elevated ceilings really allow the space to shine, and the timber lining adds warmth and character. There are three bedrooms, 2 with built ins and master has a pretty bay window which floods the room with light. The well equipped kitchen is bright and modern, and you know we here at Homelands Property love a little bit of teal. The home has established gardens out the front, which offer privacy from the street but it's the large flat double block that really steals the show. Whether its back yard cricket, soccer goals, footy posts or bike jumps, veggie gardens, fruit trees, perhaps an ancillary dwelling (stca) there is so much room out here, that whatever you fancy you can be assured you will have the space. So, if you're looking for a place to call your own, a place where coming home is the favourite part of your day, then look no further. 6 Neagarra Street in Dodges Ferry is waiting for you to make it your own, so call me, Donna Wooley of Homelands Property today.
