This brick and tile home is located in the sought after village of Kootingal. The owners have done an amazing job on the renovations throughout the home, but the kitchen is an absolute stand out for me. There is nothing to do, just move in and enjoy. 3 good size bedrooms, open plan living, dining and kitchen with all high end and new appliances PLUS a walk in pantry concealed behind the stunning barn door. The natural oak coloured flooring completes the open feel. Split systems, and the cosy, look fireplace, tops it all off. There is a 4th bedroom, or another living room, office, games room or whatever fits your families needs. The undercover outdoor entertaining area is a perfect space to enjoy during all seasons and the large backyard includes additional shedding for storage and many other necessities. The carport at the front of the home has the car accommodation covered, and the covered front area will be the perfect relaxation spot, anytime during the day. Land Size 1011m² Rates \$1011 per annum. Disclaimer: We have obtained this property information from sources we believe to be reliable; however, we cannot guarantee its accuracy.
