\$695,000

Open plan living is the heart of this modern family home, featuring spacious kitchen complete with walk in pantry, dining and living area with a great northerly aspect. Consisting of 4 bedrooms all of generous size, master with WIR and ensuite, the other three boast BIR's and ceiling fans. Ducted gas heating and ducted air conditioning plus a split system ensure a comfortable lifestyle. Outside is most appealing with an alfresco area, low maintenance gardens, double lock up shed/workshop plus adjacent entertaining area. This home is the ultimate family package situated on a large block, with rear access that showcases it's style and functionality. Meticulously maintained. Seize the opportunity to inspect this property.
