## For Sale

Set on a 916sqm level allotment this impressive double storey home offers generous ground floor living areas plus outdoor entertaining. Discover four bedrooms upstairs including ensuite to master and family bathroom plus a full bathroom on that ground floor that's ideal for the fifth bedroom. Additionally, the separate study offers built in robe space and is large enough to use as bedroom six. Air-conditioning is included throughout the home. Offering over 300sqm of living on a block that has side access with ample room to add both pool, large Titan style shed or both make a must see!!

- Super-sized family home, beautifully presented throughout
- Located in a premiere Springfield location on a rare 916sqm allotment
- Multiple living zones to accommodate even the largest family unit
- Large kitchen with extended bench space captures the heart of the home
- King-sized master features ensuite, walk-in-robe and air-conditioning
- Three further Queen-sized rooms all complete with air-conditioning
- Bedroom five and study/bedroom 6 on the ground floor with A/C included
- Outdoor entertaining plus additional shaded spot to lounge around the fire
- Level block with side access for caravan, trailer or your sport fishing boat
- Easy access to quality schools, shops and rail into Brisbane CBD
- An exciting, and rare, opportunity to secure the home of your dreams
