\$2,500,000

Be swept away by stunning city views and park vistas in this monumental family abode with 586sqm under roof. Exuding a commanding street presence on a 620sqm allotment directly opposite parkland, the home boasts a coveted lifestyle in a highly desirable Coorparoo street. A residence of distinction and style, the sensational architectural design presents a suburban sanctuary with five bedrooms (including two master suites), three lavish bathrooms, 6+ car accommodation, and multiple poolside entertaining zones. Showcasing fine craftsmanship and luxury finishes, you will fall in love with the exquisite marble tiles, Sydney blue gum floors and plantation shutters found throughout. Composed over three cascading levels, residents and guests can gather on the top floor living and dining area and gourmet kitchen, boasting exceptional culinary style, stone benchtops and European appliances to impress the most discerning home chef. Experience inspired entertaining on the elevated timber deck, unveiling a built-in BBQ, city vistas and outlooks across the glistening pool below. The fun continues downstairs in the phenomenal media room, featuring a bar/kitchenette and an audio system to create an authentic cinema experience. Flowing to a second entertaining area residing by the backyard and pool, this indoor/outdoor retreat is perfect for teenagers or dual living. Master suites with walk-in robes and ensuites feature on both living levels to accommodate every stage of family life. The palatial upstairs master occupies a private wing and extends to a balcony, while the downstairs master includes private entry via the courtyard. Additional features:- 900mm oven, combi oven and 5-burner gas cooktop- Kitchen fridge, built-in wine fridge and integrated dishwasher- 6+ car accommodation (four-car garage and double carport)- Wine cellar and large storage room in the garage- Ducted air-conditioning, Vacu-Maid and security system- Media room sound system and privacy blinds on the deck- 13.2kW solar system, 3 Phase power and 2x water tanks- Nanotech pool dilate heating In a coveted Coorparoo enclave, families are across the street from parkland, down the road from bus stops, 600m from the Cav Road dining precinct, 1.3km from Camp Hill Marketplace and a stone's throw to Whites Hill Reserve. Only 750m from Loreto College, in the Cavendish Road High School catchment, 13 minutes to the CBD and moments to childcare, Our Lady of Mt Carmel and Villanova.
