Nestled amid desirably private and picturesque surrounds on a 1150 sqm (approx.) corner allotment, this gorgeous home showcases a well-considered design with warmth and character throughout. A quiet getaway with spaces and treasures for the whole family, from the second you arrive you feel the hustle and bustle of daily life fade away. High ceilings and polished bamboo floors from the entry hall lead past the lounge/dining room with picture windows that frame garden views, to the sleek kitchen that seamlessly compliments the modern interiors and features a 900mm cooker, dishwasher and stone benchtops. Bathed in natural light, the spacious living zone with a Coonara fireplace invites you to enjoy relaxed entertaining, with sliding doors opening out to the expansive deck where you can sit and take in the ambient scenery. The garden, filled with fruit trees, a citrus orchard and raised garden beds, encourages children to play and explore and is designed to provide interest and colour throughout all seasons. A spacious master features a study nook, walk-in robe and luxe ensuite, with two additional bedrooms, a beautiful main bathroom with full-height tiling and large laundry completing the home. Additional highlights include ducted heating and split-system cooling, with a double garage and access to the rear yard from Wilson Concourse offering ample parking. Fresh and airy, with lots of natural light in every room, the contemporary design is able to shine, creating a sense of inviting familiarity that makes you feel right at home.
