There is so much to love about the thrill of new beginnings. Our offering at 6 Parkview Parade will not disappoint when it comes to loving your new home or the thrill of owning this charming house. What will be the most appealing feature for you? Will it be the true sense of home, the privacy of the established gardens or the attractive rural outlook seen from the front deck. Part of the attraction is sure to be the great floorplan featured by 3 spacious bedrooms, the ensuite to the master bedroom, the character filled large family living room or the kitchen and dining area that led out to the front deck and that outlook. Or what about the rear spare room that could be a studio, fourth bedroom, a home office or a retreat for the kids. Perhaps it will simply be the stunning natural floorboards of the living and dining areas. With homes rarely offered in this street address, the exceptional value of the asking price, and offered with Vacant possession, 6 Parkview parade is sure to attract plenty of genuine buyers keen for their new beginning.
