Luke Allan

**\$719,000**

This architecturally designed split level home offers plenty of space, natural sunlight, outdoor entertaining areas and is positioned at the end of a quiet and private cul-de-sac. The home has been a rental investment and needs a little cosmetic work to bring it back to its original condition, but the location is perfect, a couple of minutes walk or drive to the Batemans Bay shopping centre, café precinct and Marina. Don't hesitate to purchase in this tightly held location.
