Open-plan lounge, dining, and family areas, alongside a spacious 50-square-meter covered outdoor living space, provide an ideal configuration for family members to spread out and relax or entertain family & friends. Each of the four bedrooms includes built-in robes, split system A/C, and vertical blinds, ensuring comfort and privacy for all occupants. The crisp white kitchen exudes modern elegance and functionality, and the living areas feature durable and fresh-looking tiled floors, with softer vinyl plank floors in all bedrooms.
