This remarkable family home, located in the picturesque Lakeside area near Yungaburra Township, offers ample space for your entire family and more. With 5 bedrooms, 2 living areas, and easy access to Lake Tinaroo, it's perfect for large or extended families. The open-plan kitchen, living, and dining area is complete with plenty of storage, ample bench space, and fresh paint through out. The lounge and dining space have a homely feel with double feature walls and large windows. Four spacious bedrooms, three with built-in wardrobes, are located off this side of the home. Convenience is a priority with two bathrooms and two toilets. The first bathroom features large walk in shower, while the other has a spa bath, perfect for relaxation. A separate bedroom with its own entrance could be utilised for guests, parents or young adults who require their own space. The home also includes a second enclosed living area - this could double up as a games room, studio or office space. Additional features include a one-car garage with a workshop and pit so you can work on your vehicles at home, an attic for extra space, a 5KW solar system. Storage is plentiful with additional single bay shed and lawn locker, vehicle access is also available on both sides.
