Embrace a lifestyle of serenity and comfort in this exquisitely designed home nestled within the sought-after Springfield Lakes community. Positioned strategically atop an incline, the residence is bathed in natural light, accentuating its spacious layout and classic neutral décor. Step inside to discover a welcoming lounge/dining area, ideal for hosting gatherings or simply unwinding in the warmth of its ambiance. Adjacent, the separate eat-in kitchen boasts premium stainless steel appliances and a convenient dishwasher, offering both functionality and style. With accommodation comprising four generously sized bedrooms, each adorned with built-in wardrobes, residents are treated to leafy vistas that enhance the sense of tranquility. The bright and airy bathroom, alongside the internal laundry, further complements the home's practical yet luxurious appeal. Outside, the property is enveloped by lush gardens, providing a peaceful oasis away from the hustle and bustle. The invaluable lock-up garage ensures both security and ample storage space, adding to the convenience of daily living. Situated within walking distance of Education City, USQ Campus, and Orion Shopping Centre, residents enjoy unparalleled access to a plethora of amenities, including state schools, recreational facilities, and dining options. Whether strolling through the nearby parklands or exploring the vibrant village shops and eateries, this home offers the perfect blend of tranquility and urban convenience. In summary, this meticulously crafted home invites you to indulge in a lifestyle characterized by peace, privacy, and convenience. With its thoughtfully designed interiors and enviable location, it represents the epitome of modern living in Springfield Lakes.
