Poised for a fabulous future, this prime 768m² allotment offers an exciting prospect to build your dream home (STCA) with land to spare. Palatial proportions, the preferred orientation and a premier location within the "Natures Run" estate, presents the perfect scenario to set a new standard in lifestyle excellence. You can design and build a home to specifically suit the indoor and outdoor needs of you and your family or perhaps explore the options of a shed, pool or large alfresco (STCA) to take advantage of the beautiful views out to the West. Within just minutes you can exercise on the local walking tracks or stroll through the main street precinct for shopping amenities and eatery choices. Elite schools, sporting facilities, the Kilmore hospital and public transport are also within easy reach. Not forgetting to mention the Kilmore East V-Line Train Station which will have commuters arriving to the CBD in approximately one hour. Vacant land is becoming a rarity and a parcel of this size is a priceless find, especially as it's in a lovely, quiet cul-de-sac location and is also titled. Simply perfect for those with children that live an active lifestyle and want enough space to ride bikes, skateboards, play hopscotch and just breathe in the fresh country air. I encourage your immediate inspection. ** This document has been prepared to assist solely in the marketing of this property.
