For Sale

This brick home has everything a family could want. Mostly single level. Its been freshly painted & has timber floors. It has 4 bedrooms. Most have built-ins except for the master bedroom that has an ensuite & walk- in robe. Features:• Large private entertaining deck• Solar panels for reduced electricity bills• Near level fenced yard & ceiling fans in most rooms• Easy care timber floors through most of the house• Modern kitchen with stainless steel appliances• The family bathroom has a bath. Extra showers and toilets• Garage and extra off-street parking Call for an inspection. I don't think this one will be on the market for long
