FROM \$649,000

A cut above the rest, you will absolutely fall in love with this impressive family home Set on a huge 748sqm block with a spacious home, double carport with drive through and side access as well as a great size patio area, sparkling below ground pool and plenty of lawn area – it is hard to find a home that boasts all these features ! The inside has such a lovely feel and a unique design - a viewing is a must! With a large open plan kitchen, meals and family area as well as an additional study / activity area. All tiled for low maintenance living. Large double size bedrooms, built and walk in robes, updated bathrooms and a roomy laundry With feature doors, ceiling fans, ducted air con through out, solar power and more Lovely gardens are all reticulated from a bore and there is an additional garden shed for convenience and storage. Watch your family grow and enjoy your Summers and lifestyle here close to the beach and all local amenities. Available to view and secure before Christmas so don't delay on this one! Title, plans and a walk through video available upon request!
