Take its peaceful court position and add a sprinkling of inspiration, this lovely home has all the makings for a brilliant first home, or even for those looking to slow down. Featuring an oversized formal lounge with warm Murray Pine timber flooring, a formal dining space plus an updated kitchen along with 3 good sized bedrooms with original carpets, living is quite comfortable. There's also a renovated bathroom, good storage, big laundry, and a gas wall furnace plus wall air conditioner in the lounge and reverse cycle system in the master bedroom. Outside there's a carport with an adjoining brick storage shed, and there's plenty of room for furry companions or a large trampoline courtesy of the 669m allotment. With shopping, a child care centre and the Bandiana Link Rd all close by, best call now for your inspection.
