**\$60,000**

With the recent increase of residential land sales, blocks like this are getting harder to come by. Conveniently located a short 600m from the main CBD, this 808m<sup>2</sup> allotment is the perfect location to build your new home (STCA). With water connected & all other service available (excludes mains gas) this land is certainly worth considering. Contact our sales team today before it's too late.
