Classic country cottage with high level extension to the rear of the house with highlight feature windows and double glazing. Lovingly renovated to a high standard this fabulous house has a stylish open plan kitchen with high end appliances and walk-in pantry. Massive living room that opens out to the huge covered entertaining deck. Separate lounge room with fire place and casual living. Offering four generous size bedrooms, master with an ensuite. Also has a separate study that could be used as a fifth bedroom. Bathrooms have heated marble flooring. The quality renovation is evident on arrival from the quality paint work, high ceilings, new flooring throughout and new double glazed windows. Ducted and zoned air conditioning. Outside rear deck looks onto the beautiful established gardens with a firepit area, great for entertaining. Newly surfaced crushed granite driveway to single garage. This is a very unique cottage and a must to inspect.
