Some of the many wonderful aspects about this picturesque lifestyle property include the privacy, rural vistas and peaceful parkland cleared and natural wooded sanctuary and abundance of bird life. Embrace the sunny aspect of the expansive corner lot and the spacious contemporary wrap-around verandah home, which melds superbly with its surrounds. There is scheme water on tap and ample land to keep a horse and a few sheep and a pet menagerie. Need to park the car, boat or caravan and have easy access to loads of garaging and workshop space? This property has a five-bay, three-roller door shed and a high-span carport and double gable carport. Enjoy the views and morning and afternoon sunlight as it streams through the glassed areas of the home's fabulous central cathedral ceiling living, dining and fashionable stainless-steel appliance kitchen. The generous patios and carport lead through to the open plan main hub of the home which boast solid timber floors creating a relaxed vibe and a fabulous aesthetic impact on this entire area. Other great design features are the wings set either side of the home's hub. One includes a verandah access, garden view master suite, with a roomy walk-in robe and separate toilet ensuite. The hall has storage and flows to the laundry and second bedroom. The hall to the second wing flows to a bar or utility area, and another spacious main bedroom, with a robe and semi-ensuite. Nearby is a fourth bedroom and verandah access living zone, or fifth bedroom, hobby area or business office. Embrace country living in style.
