ABSOLUTE BEACH FRONT WHERE WHALES WILL BE YOUR BEST FRIEND A tremendous OCEANFRONT opportunity has come to light and you could now live your coastal dreams forever! A level 800sqm lot, that can work for many different home designs will make the process to achieve your dream more seamless & enjoyable. With no covenant to restrict you and underground power, NBN and water available to the block, this spectacular piece of real estate is simply awaiting an inspiring home - one that will capture all the amazing ocean and coastal views and optimise the outdoor lifestyle that living on the oceanfront can offer. While Elliott Heads is progressing with development, the community feel, local cafe and public facilities plus the generous open spaces all underpin the easy going lifestyle that Elliott Heads is famous for. Snorkelling off the nearby twin-dive rocks, exploring the rock pools, whale and bird watching, kitesurfing, kayaking, paddle boarding or fishing the clear waters of the inlet or taking a stroll along the esplanade are all great ways to enjoy your days. Right now, there is no other absolute oceanfront property available to purchase in the area. This suggests absolute oceanfront land at this price is exceptionally great value, and with the uninterrupted views of the coastline and ocean from the shore to the horizon, prices will only continue to increase!
