Introducing an exceptional coastal residence in the heart of Ocean Grove. Boasting two living areas, high ceilings, and a harmonious blend of elegance and modern comfort, this property caters to a comfortable and convenient lifestyle. The exterior showcases a custom façade with James Hardie Stria and Axon feature panelling, complemented by spotted gum timber cladding, creating a visually appealing and timeless look. A light filled entry, with high raked ceiling and highlight window, immediately infuses a feeling of brightness, openness, and grandeur. The master suite boasts stunning VJ feature wall panelling and floor to ceiling sheer curtains. Custom cabinetry in the walk-in robe optimises storage, with a focus on functionality. A true sense of luxury is on offer in the spacious ensuite, with a "his and hers" double vanity complete with stone benchtop, heated towel rail, spacious shower and large niche, as well as plenty of storage. High quality timber-look flooring provides a warm ambiance from the entry through to the main living which features high cathedral-style ceilings, where a Chefs Kitchen takes centre stage. With 900mm Westinghouse oven and cooktop, double fridge space, 40mm Caesarstone benches with extensive cooking and preparation space, spacious butler's pantry and an abundance of storage, it really is an entertainer's dream. The main living and dining area is anchored by a built-in gas-log fire, featuring VJ panelling and custom cabinetry. Double-glazed windows and stacker sliding doors in the main living flood the area with natural light, in a masterful design that blurs the boundary between inside and outside. Whether you're entertaining, or simply unwinding in your own private haven amongst the meticulously landscaped gardens, the effortless transition between indoor and outdoor living provides unmatched flexibility and comfort. Matte black fixtures throughout add a touch of sophistication, and with ducted heating and split system air conditioning for year-round comfort, you will always feel at home.
