This utterly amazing five bed family home set on just over two and a half acres is something rather special with its stunning views, privacy and practicality! Shauren Drive is perfectly located in Gawler, a short approximately seven-minute drive into the Ulverstone CBD and with ease of access to the highway for travel to Devonport or Burnie. The main dwelling on this property is a huge five bed home with a large open plan living area, a second lounge and two bathrooms, the ensuite in the master suit has recently been tastefully renovated with a large walk-in shower and double vanity. Additionally to the main dwelling is an external double garage with toilet and rumpus room with a bar and an amazing deck, the perfect entertaining area for parents! This property's gorgeous features do not finish at the home, with the gardens and landscaping being equally as amazing and the perfect location to hold events such as weddings etc. The entire property is fully fenced which is fantastic for parents of active, outdoor children who can roam without the fear of traffic. Homes this large on this size block do not become available often, for more information or to register your interest please contact the listing agent Kurt Knowles today!
