\$770,000

This gorgeous family home at 6 Shearwater Crescent has all that you want. An extremely neat and tidy property, the front porch entry is very welcoming. The bay windows are picturesque and are shaded by the spanning front verandah. The timber deck has been well maintained and is an asset to this fabulous home. There is heaps of room to the side for the boat, caravan or visiting guests and there is a garage too. Master Suites are common now, but this one is a little extra than just your ensuite and walk in robe. Those bay windows look even better from the inside and are adorned with modern double roller blinds; control the light to your comfort. Privacy and style never fit together so well. Three other bedrooms are spacious, each with a built-in robe. The tiled flooring is continuous throughout the home, as are those great roller blinds. If that catches your attention, you'll love the timeless timber kitchen also, together with mesh door inserts and stainless-steel cooking appliances. Ample bench and cupboard space. An open plan layout does not disappoint. In fact, you get an added bonus with the extra living room. Formal dining? Extra lounge? Games room? This space is just as fresh and comfortable as the rest of the home and is entered via those double french doors. There's a servery to here straight from the kitchen. Convenient. Jump on out back where the real action is! Here's an epic entertaining space with elongated decking, undercover comfort and a stunning lap pool. Set amongst tropical landscaping for shade and privacy, this entertaining mecca can be all yours by Summer! To top it is off there is an extra airconditioned room off the deck, handy for an office or guest room. The time is NOW. Call Andrew Blackley to take a tour of your new home - 0409 113 358.
