This lovely 1 bedroom home with carport is the perfect size , easy to maintain and plenty of room to get out into the gardens with a whopping 617m2 block of land. There is room to expand, build a great outdoor area, let your imagination go wild.Only a 3 minute walk to the water, very easy drive to town and ferries.The property is currently tenanted making it a great investment, the photos are pre tenant.This is worth the time to come over and inspect Please call Greg on 0431515295
