Timed Auction: <https://widget.auctionslive.com/widget/auctions/view/143329/PXqA> proper beachside retreat in the very best sense of the word, 6 Smithy Street is one of the last of the original cottages that used to dot the landscape in Killcare Heights. It's been a fabulous getaway for decades with a thoroughly captivating vibe - a place to shrug off the stress of the work week, where the kids can run wild and nothing's too precious. Simple and unpretentious, this is the kind of place that connects one back to the earth, sky and sea, with wide ocean views that are pure magic; it's that nearly impossible-to-find holiday home that delivers a relax, unbuttoned approach to life. • Dazzling ocean views to Palm Beach from a beautiful, 696sqm parcel • Immaculately presented with defined living/dining and sunroom • Main floor makes the most of the views with a vast, full-length deck • Great sized, practical kitchen with walk-in pantry, opens to dining area • Main floor master with ensuite, parent's retreat and private deck • Gently sloping lawns with terraced gardens; combustion fireplace • 90 minutes from the CBD and moments from door to the beach
