- Master with walk-in robe- Heat pump & wood heater- Entertaining deck area- Large corner block 911m2 approx. This charming classic Maydena cottage has beautiful views, two large garages a garden shed and storage area. These areas would be perfect for a bike workshop and secure bike storage. You enter the home via a classic covered porch area and are met with the entrance hall which runs into the cosy living room, with both a wood heater and heat pump – perfect climate control all year round. There are three good size bedrooms from the central hallway. The master has a walk-in robe and there is also a built-in wardrobe in one other bedroom. All have large lockable windows offering lots of light and country views. The family bathroom is also at this end of the house. Moving towards the rear of the property, you arrive at the kitchen/dining area. The kitchen is a practical space with clean white surfaces and plenty of cabinetry. The kitchen window has some nice views of the distant peaks for you to take in whilst cooking up those family meals. There is a separate laundry and toilet off the kitchen, as well as a picture perfect outdoor covered entertaining deck area. This will become the go to place during the summer months, a place to enjoy a quiet drink, a BBQ and a catch up with family and friends after riding the bike tracks. The deck looks across the backyard and has some mountain views - you can also hear the natural Maydena spring water running through Donnybrook Gardens next door, the soothing sound will instantly relax you. This complete package is located in the popular Derwent Valley community of Maydena and will become a mountain biker's perfect getaway property. Contact us today to avoid missing out!
