From the creative minds of Lume Projects comes this remarkable new home that's sure to exceed all expectations with its impressive design elements, first-class features and prime location in the heart of Airport West. Absolute quality at every turn, the home's vogue interior showcases three bedrooms (larger master with WIR) complemented by a deluxe double-vanity double-shower ensuite and main bathroom with freestanding tub. Further underlining its inspired floorplan is the inclusion of a dedicated study alcove and spacious open-plan living/dining area adjoined by a custom kitchen with walk-in pantry, fridge waterpoint, Ilve cooking appliances (900mm) and integrated dishwasher. Other luxuries include ducted heating/refrigerated cooling, high square-set ceilings, alarm system and full-size laundry, along with premium carpets, engineered timber floors and stone benchtops throughout. Sliding doors reveal a sunny north-facing backyard with composite decking, lush lawn and high fences for privacy, plus a remote-control garage with internal entry and two additional driveway parking spaces. Bus stop around the corner along with McNamara Avenue cafes and shops, it's also close to local parks, popular schools and kinder/childcare facilities, as well as easy access to Matthews Avenue trams, Westfield Shopping Centre and a choice of freeways.
