There's a reason this immaculately presented and beautifully cared for family home has been much loved since being built by the owners in the early 1970s. Large windows, higher ceilings and wonderful access to the outdoors enhance the traditional four bedroom floorplan delivering sizable rooms filled with natural light. A formal lounge/dining to be proud of features fireplace with slate surround and sliding door to paved outdoor entertaining area. A large kitchen overlooks a 2nd living space and enjoys lovely garden views and outlook across the neighbourhood. Open the door from this sunny room to a delightful private garden. Relax or entertain with a number of paved outdoor areas to enjoy and lush landscaped surrounds. Four bedrooms are peacefully zoned including large master bedroom served by ensuite bathroom and double robes along with family bathroom, separate toilet and laundry handily located off the kitchen. Further comforts include well appointed original kitchen with walk in pantry and good storage, ducted heating, large shed and storage shed. A quiet friendly neighbourhood with views and easy access to Lilydale station, schools and Chirnside Park Shopping Centre adds further appeal for the next family who will fall in love with this wonderful home!
