An immaculate haven of contemporary elegance and north-facing tranquility, this superbly renovated and impressively sized three-bedroom home is peacefully tucked away in a leafy no-through road just moments from Kew Junction. Set within superb, easy-care gardens, this is an alluring sanctuary that enjoys a soothing community atmosphere. Bosch appliances are complemented by stone benchtops in a kitchen / family room that embraces the northern sunshine whilst connecting effortlessly to a paved and garden-backed entertainers' courtyard. Meanwhile, a large lounge and dining room – with a gas-converted log fireplace – offer a more ambient style of living and entertaining. The main bedroom is a wonderful retreat with walk-in robes and a renovated ensuite, whilst the second bedroom – with built-in robes – is conveniently adjacent to a renovated central bathroom that features a frameless-screened shower and independent bathtub. Further highlights include a double lock-up garage with additional driveway parking, abundant storage throughout and a third bedroom or study, as well as hardwood flooring, plush carpets, hydronic heating and split system air conditioning. From this coveted location of surreal tranquility, you can walk easily to Kew Junction where the cafes, dining options, bars, shopping and city-bound trams are all first class, plus you have the pristine beauty of Alexandra Gardens just metres away.
