Tucked away in a quiet street position is a fantastic opportunity to purchase an entry level property. The house features three bedrooms, central bathroom, large living space, kitchen/meals area and laundry. Split system and gas heater in the living room. Timely updates have been done along with new carpets throughout. Ceiling fans in all three bedrooms. Outside there are established gardens and trees but also plenty of space to put your own stamp on it. Single carport is adequate but further shedding is certainly an option STCA. The property will suit first home buyers or investors. For further details contact Coby.
