Looking for a family home on a large half acre block but can't afford the huge price tags that go along with them? This three bedroom, two bathroom brick home on a 1,997m² block with double automatic garage is just for you! A large open lounge with a/c, dining and kitchen area leads out to the covered outdoor entertaining area. The partially renovated home still has loads of potential to add value with big ticket items like full solar system, new ensuite and new septic system already installed saving you tens of thousands of dollars. The fully fenced block is set in a quiet cul-de-sac street close to the local park and enjoys the cool sea breezes off the bay. Just 2 minutes drive to local shops, public boat ramps and Fraser Island barges and just 10 mins from Hervey Bay beaches and shopping.
