## A True Bingara Gorge Beauty

Stunning in every sense of the word, 6 Stringybark Drive not only presents magnificently, but expertly takes advantage of its premiere Bingara Gorge location to create the perfect family lifestyle. Take the dogs for daily walks around the neighbourhood, or watch the kids grow up running around the nearby parks, and all this just down the road from Wilton Public School and the Wilton Plaza local shops! Life has never looked so good.

This property is bound to take your breath away from the get-go. Its bright and inviting atmosphere owes much to its spacious design, high ceilings and coffered entry, warm timber flooring, oversized doors, and abundance of natural lighting. You'll be lead past a quiet front-facing study, ground floor bedroom with ensuite, large laundry and downstairs powder room, and out to the core kitchen, family, and dining room spaces.

Open plan, spacious, and flooded with natural light, this area is particularly comfortable with its gas fireplace and poolside views, display shelving, curtains, and excellent communication. The kitchen also boasts a huge stone-top island with breakfast seating; gorgeous soft-close cabinetry; butler's kitchen and walk-in pantry; and a 900mm induction cooktop plus ILVE oven.

You'll absolutely want to show off your beautiful home as often as possible, so you'll appreciate both the theatre and alfresco spaces. Behind its rolling barn door entry, the dark theatre room makes for great movie nights with its theatre-style seating, and the tidy alfresco entertaining area sports a ceiling fan and gas point. The yard beyond is well-sized and lined by gardening options, and the glass-fenced pool beside it enjoys a tiled poolside bathing area.

Sleeping arrangements are primarily found upstairs, supported by a shared lounge room with balcony access. All bedrooms are comfortably sized and feature ceiling fans, ducted air conditioning, plantation shutters/blinds, and ensuites access to each room! The spacious master additionally features a walk-through wardrobe and sizeable ensuite with stone-top vanity and freestanding bathtub.

6 Stringybark Drive is an example of Bingara Gorge living at its finest. For more information, be sure to contact McLaren Real Estate ASAP!
