Best Offers by 5 June

Defining luxury on a grand scale, this high-quality custom residence sits on an elevated 1,523m² block, serving spectacular 300-degree city-to-ocean views from almost every room. The beautifully presented interiors encompass three expansive levels, featuring high-end appointments and finishes throughout. An entertainer's dream, the layout captures natural light and breezes, with multiple living areas, a contemporary kitchen, and two massive wraparound balconies and pool deck taking in magnificent views. Four bedrooms are set over the two upper levels, while the lower level houses 2 garages, 2 offices, a wine cellar, and a luxury Porsche design workshop to satisfy the most discerning car connoisseur. Designed for privacy, aspect and climate, this exceptional property sets a benchmark for refined tropical living.
