Poised on a corner block within a highly sought-after neighbourhood, this inviting residence presents spacious open plan interiors filled with natural light. Superbly situated just a stroll from leafy Cootamundra Walk, Blackburn High School, Stanley Reserve Playground and the newly refurbished Blackburn Square shopping and restaurant precinct, the home is also within easy reach of Blackburn Station, the Eastern Freeway, Old Orchard Primary School and Koonung Reserve. Freshly painted with lofty high ceilings and elegant wide floating timber floors, the home features a generous living room with an open fireplace, and a full height bay window offering an elevated view across leafy private gardens. A skylit separate dining space flows out to a timber deck framed by established gardens and colourful wisteria, creating a peaceful haven for outdoor dining. The spacious kitchen features classic timber cabinetry, a large corner pantry, a breakfast bar, a dishwasher, an electric oven, and a gas cooktop. Three light-filled bedrooms include an oversized master with a walk-in wardrobe and private ensuite with large vanity, complemented by a central bathroom with a separate bathtub and a separate powder room. Featuring gas ducted heating, evaporative cooling, security screen doors, an alarm system and a laundry with direct outdoor access, the home also includes a remote double lock-up garage.
