Nestled in the heart of Oakleigh, this captivating four-bedroom, two bathroom home is a harmonious blend of timeless elegance and modern comfort. This home exudes character with its Federation-style architecture; the ornate façade, high ceilings and intricate detailing reflect ageless period grace, while maintaining a fresh appeal. Step inside and be welcomed to a light-filled interior, with spacious living areas that seamlessly flow, creating an inviting atmosphere for family gatherings and entertaining friends. The timber floors, leadlight windows and ceiling roses add warmth and charm. The home has modern comforts including ducted heating and a reverse cycle air conditioner in the main living and meals area. The spacious kitchen features granite benchtops, Qasair rangehood and abundant storage space. The main bathroom features a dual vanity and beautiful claw-foot bathtub for relaxing and unwinding. The four large bedrooms each have built in robes; and the upstairs bedroom doubles as a home office. Ideally positioned only moments away from the vibrant Eaton Mall cafes and restaurants, as well as Oakleigh train station, Chadstone Shopping Centre, parks and schools. We donate a portion of our fee from every property transaction to the Woodards Foundation to support people experiencing homelessness, family violence and social isolation.
