Perched up high and tucked away on a spacious 819msq parcel of land, this exceptional, low-set brick under-tile home has been lovingly maintained with tasteful upgrades undertaken over the years. You will love the welcoming and expansive living room which offers separation if required flowing through to the large, open-plan dining kitchen combination. A light-filled room with a fabulous outlook of the pool and outdoor entertaining area. The owners have focused on designing a kitchen that supports their love of cooking and entertaining and important in their re-design was to introduce a spacious, multi-purpose island bench top incorporating plenty of storage, extra workspace, top shelf stove and oven, lux tapware and conveniently positioned dishwasher, microwave and appliance compartments for the passionate chef. It's only a few steps and you are embraced by the gorgeous undercover deck – perfect for outdoor entertaining. Accommodation comprises four bedrooms; two double rooms are set aside with terraced outlook and the third bedroom overlooks the deck area and is perfect as a working office, with a centrally positioned family bathroom. The master bedroom boasts an ensuite and walk-in robe with a pool outlook. There are fans throughout accompanied by four aircon units. Supporting this fabulous property is a 5kw solar system, a double remote entry garage plus a shade sail for your third vehicle if desired, a 2000lt water tank for the avid gardener, and a garden shed. With plenty of storage, secure windows and doors, this fabulous home offers a safe and private lifestyle. It's a beautifully manicured garden with plenty of space for kids and pets to enjoy or expand a little bit and add your own. Perfect location, this home has quick and easy access to Wynnum Central and surrounds with fabulous transport, school, health and shopping infrastructure, in a sought-after location is one not to be missed.
