Designed with a brilliant feel of space, quality, and families in mind, this 21.63sqm approx. renovated beauty, offers an abundance of natural light, functionality, and convenience at your fingertips. From the moment you arrive to this residence you will instantly be drawn to the rarity of a double driveway with side access points, fit to store a trailer, boat, multiple cars or caravan, a low maintenance yard and attractive front façade with feature lights. On entry, the hybrid flooring will capture the eye and meets the first of three great sized living zones, a master suite that is complete with stylish neutral tones, a renovated ensuite that offers beautiful marble look tiles, double basins, toilet, large black framed shower with a niche, black tap ware, LED mirrors, and ample space in the walk-in robe. The remaining bedrooms are all equipped with built in robes that are conveniently serviced by the renovated main bathroom, large bath, separate toilet, and laundry. Offering you a well-appointed open plan kitchen, meals and living zone, the chef of the household will certainly be impressed with the quality of the 20mm stone benchtops, soft closing draws, double ovens, strip lighting, double pantry, black handles and tapware, USB PowerPoints, a stunning island bench/breakfast bar with pendant lighting that adjoins a spacious family room and outdoor pergola area, where entertaining family and friends will be a breeze and leaves plenty of extra space for the kids and pets to play. Jam packed with great features, that include ducted heating, evaporative cooling, ceiling fans, quality fixtures and fittings, garden shed, two linen cupboards, Colourbond fencing, freshly painted and carpeted throughout, security doors, plenty of storage, double remote-controlled garage with rear roller door access and internal access. With all amenities close by – you are only minutes away from Heritage Springs Shopping Complex where you have many eateries available, Coles, Pakenham Springs Primary School, daycare's, kindergartens, and easy access to the M1 freeway.
