This hideaway entertainer feels like an oasis - immersed in beautiful native bushland gardens up front, with a magnificent solar heated pool out back for waterside freedom. Like the peaceful watering hole in the classic Australian children's book 'Animalia', this idyllic property is ready to welcome a family to its treasure trove of discovery from a sweeping corner on the court. Landscaped with bird-attracting native shrubs, dry riverbeds and rustic timber and iron features, this place is a real outdoor adventure. Once inside the subtly rendered silver facade, the free-flowing living space promises freedom for the growing family, with the heart of the home focused on relaxation and entertainment, and the private outer bedrooms dedicated to quiet retreat. An elegant modern kitchen comes appointed with European appliances including an Ilve cooker and Bosch dishwasher, set in the corner as the foundation of the open plan living wing. The sunroom and BBQ room add impressive outdoor living credentials, perfect for summer entertaining or Xmas by the pool. You could set off in a caravan around Australia, or you could give yourself a never-ending holiday at home from this unique bush sanctuary close to schools, parks, shopping at Wheelers Hill, Waverley Gardens, Brandon Park and The Glen, as well as the gateway to the city and the peninsula via Monash Fwy and Eastlink.
