Step into history with "The Grange," an enchanting farmhouse built in 1888. Nestled on a generous 1776-square-meter block in Koo Wee Rup, this heritage-listed property exudes timeless allure. It has loads of original charm with wide verandas, corrugated iron roof, enormous 3.6m high ceilings, weatherboard exterior, and elegant sash windows. Dual open fireplaces, one of which has been thoughtfully converted into a wood heater. Solid timber flooring complemented by carpeted bedrooms. Spacious Dual Driveways with the convenience of white picket fence electric gates leading to ample yard space. We are actively working to resolve any unauthorised works to the Council's satisfaction and will liaise with potential purchasers accordingly. This sale, overseen by a Trustee in Bankruptcy, invites expressions of interest. Explore the possibilities while preserving the essence of this historic treasure.
