**\$815,000**

Walsh Crescent has always been a sort after address and it is for this reason I recommend you act quickly on this one. Nestled on just over 800sqm of land, number 6 will tick many boxes. Just down the road from Illaroo Public School and just up the road from the Shoalhaven River boat ramp and Nowra Golf Club. If you feel like strolling across the new Nowra bridge and into town, that wont be a problem either. The main feature of this unique home are the multiple living areas both inside and out. Pergola, sun room, family room and formal lounge. An abundance of areas to relax and play. Is there a better place to bring up your family? • 852sqm (approx.) block of land. • Ducted air conditioning. • Bush walking and abseiling at your fingertips. • Indoor- outdoor sun room. • Less than 2 kilometers into Nowra • Illaroo School just up the street
