The canvas is set for your vision to unfold, presenting a unique opportunity to reimagine this 3-bedroom home and its 864 sq. metre (approx.) Beleura Hill allotment to suit your every desire. Whether your ambition lies in a comforting classic, a comprehensive renovation, or a complete rebuild (STCA), this property delivers in spades with its endless possibilities and coveted blue-chip locale. Immaculately presented, its L-shaped lounge and dining space wraps around into an original kitchen with new stone counters, providing the perfect backdrop for culinary creations with a gas cooker and dishwasher. Three generous bedrooms are placed around a renovated bathroom and laundry, with the main bedroom elevating standards with its full ensuite. A huge yard beyond an entertainer's terrace inspires the imagination with immense space to materialise your dreams, finishing a premier blue-chip opportunity central to Mornington Golf Club, Mornington Secondary, Mills Beach, and Main Street cafes and boutiques.
