With the beautiful long expanse of Queens Beach and the beach front golf course just down the street, this location is hard to beat. Situated on a corner block, this solid block home makes living by the beach pretty easy. The kitchen is large and features plenty of cupboard and bench space. There's an adjoining dining area which flows through to the lounge space. There are three bedrooms, two with built ins and air conditioning. There is also split system air conditioning in the main living space. The bathroom is very roomy and tidy. Off the front of the home is a verandah that runs the length of the home, the perfect spot to enjoy those cool sea breezes. The property also features a pergola area with a brick barbecue. Off the side of the home is a single garage and there's a garden shed at the back. There's so much potential with this property to add a shed and/or a pool or just enjoy it as is. Dreaming of a home by the beach, turn it into a reality with this solid family home, ready for you to move into.
