Nestled in a quiet cul-de-sac is this large 4-bedroom home, well designed and with so much space! It boasts three separate living rooms, open plan kitchen and dining with a huge walk-in pantry, two spacious bathrooms, a covered alfresco area, and a double lock-up garage with internal access. The master bedroom has twin WIRs accompanied by a generous-sized ensuite. Lots of outside space for Dad's toys with a level parking spot for a caravan, lock-up parking for a boat and drive-through access to the backyard. There's a small little veggie patch if you like growing your own, even the kids are taken care of with lots of room for the trampoline and a cubby house. Fully fenced yard, even the dog has some space! All this located in the highly sought-after Mirador Estate.
