This property sounds like a dream retreat! With its serene setting on 1.5 acres and stunning north-facing views, it offers the perfect escape from the hustle and bustle of everyday life. Private acreage is so rare to find this close to the beach. Situated only 10 minutes from Mudjimba Beach, Maroochy River and the Bli Bli markets, this is a home not to be missed. The layout seems thoughtfully designed, with the master retreat offering a private balcony and ensuite on its own level, ensuring maximum relaxation and privacy. The main living quarters on the central level appear spacious and well-appointed, with separate lounge areas and a beautiful Hampton's inspired kitchen as the focal point. The large deck and entertaining areas provide ample space for hosting gatherings or simply enjoying the tranquil surroundings. The lower level featuring the pool and undercover entertaining area adds another dimension to the property, perfect for leisurely days spent by the water or entertaining guests. With features like extra high ceilings, floating timber floors, and a dedicated workshop/games room, this residence combines both style and functionality. The proximity to schools, beaches, and amenities adds to its appeal, making it an ideal choice for families or anyone seeking a peaceful yet convenient lifestyle on the Sunshine Coast.
