Expressions of Interest closing Friday 31st May

Nestled within a leafy enclave of Sunshine Beach is this stunning designer home that offers the perfect blend of understated style and cool coastal elegance. Near-new and with only quality finishes and features throughout including a beach perfect mix of polished concrete and luxurious timber floors. No detail has been overlooked to ensure the very best in beachside living. Timber-clad double doors open into the light-filled entryway, ensuring a warm daily welcome. To the left is the covered entertainer's patio featuring oversized cavity sliders for seamless flow from indoors to out and travertine crazy pave adorns the entry and alfresco area. To the right, a beautiful custom staircase that leads to the light-filled upper level. Here, you will discover three bedrooms, including a plush owner's suite with a walk-in robe, ensuite and views over the sparkling north-facing pool. The other two spacious light filled bedrooms have built-in robes and study nooks and easy access to the main bathroom. For an added touch of luxury, a private retreat features a kitchenette and sliding doors that open to a sun-soaked terrace with ocean views and the elevation of the block allowing a stunning leafy backdrop down the coast. There is even a dumb waiter on this level to deliver food and wine to enjoy from the terrace. Back downstairs, a host of living areas ensure a room for every mood and the imposing 3.1 meter ceiling height provides a beautiful sense of space. You can take your pick from the elegant living room or perhaps you prefer the relaxed feel of the family room or the indulgence of watching your favourite movie in the media room. The kitchen simply oozes quality, style and space with a 3 meter uninterrupted island bench, loads of storage and scullery. Also on this level is a stunning ensuited guest bedroom. A two-car garage, a laundry and store room complete the layout while added features abound including sky-high ceilings, beautiful timber floors and a stylish neutral colour palette. The landscaping is low-maintenance, making this a wonderful set-and-forget lifestyle option for those seeking a weekend hideaway. The beach, Noosa National Park entrance and the vibrant Sunshine Beach Surf Club are all within walking distance, while the eclectic dining scene of Noosa Junction is only moments by car. You will also be close to Noosa Main Beach and the world-class shopping of Hastings Street to ensure an enviable lifestyle whether this is your permanent residence or a luxurious retreat.
