Shrouded in greenery amongst the Peninsula's most exclusive homes, this secret family hideaway is the pinnacle of Arthurs' Seat living, embraced by nature and capturing glistening views to Port Phillip Bay. Positioned high within a secluded cul-de-sac on the northern ridge and opening up to a grand entertainers' layout beyond its storybook facade, this impressive home offers the space, style and serenity that most can only dream of. Recently renovated throughout and brilliantly crafted to offer the versatility of generational living, this four-bedroom plus office, three-bathroom retreat is simply unbeatable. Oak floors and a double-height void welcome you in, introducing two bedrooms and a bathroom, perfect for guest accommodation. Two additional sizable bedrooms and a stylish bathroom upstairs include the main with Port Phillip Bay views and a chic ensuite, plus a fitted home office, providing room for two or more at the desk. The living spaces, designed with an eye for beauty and practicality, fully embrace the stunning surrounds, offering panoramic leafy vistas through both formal and open-plan living and dining areas, centred around a gourmet kitchen that features a Smeg range stove and stone benchtops - a dream for any entertainer. Sliding doors connect to the wrap-around verandah, inviting alfresco dining options amongst the towering gums, wildlife and native birds. Take a dip in the spa, enjoy the nostalgia of the original chairlift whilst roasting marshmallows, or step inside and curl up by the fire - life here just hits different. Ideally located near wineries, excellent schools, bay beaches, and freeway access, it's a genuine sanctuary for the whole family, complete with 14kw R/C ducted heating and cooling, a split system unit, marble basins, a large laundry, CCTV, heat-pump for the spa and plenty of parking - including a double remote garage with internal access.
